

# Respina Diesel CI-4 Plus

Multi-grade API CI-4+ diesel engine oil

## Description

Respina diesel CI-4 Plus oils are advanced diesel engine oil and can be used in on-road and off-road equipment. It is produced using semi-synthetic base oil and excellent additives to provide heavy duty applications in the trucking, mining, construction, agricultural and marine industries. A suitable SAE grade can be selected based on the diesel engine requirements.

## Specification and Approvals

- API CI-4 plus, API CI-4, API CH-4
- ISIRI 11381

## Advantages & Benefits

- Superior wear and corrosion control and maximum engine protection
- High resistance to oxidation
- Reduced exhaust emissions, excellent detergency and dispersions
- Easy start in cold climates and engine protection in all temperatures

## Typical Data

| Property           | 15W-40 | 20W-50 | Test method |
|--------------------|--------|--------|-------------|
| Viscosity at 100°C | 15     | 19.2   | ASTM D445   |
| Viscosity Index    | 142    | 127    | ASTM D2270  |
| Flash Point °C     | +220   | +220   | ASTM D92    |
| Pour Point °C      | -30    | -24    | ASTM D97    |
| Density $kg/m^3$   | 879    | 889    | ASTM D4052  |

❖ Respina Diesel CI-4 plus oils are formulated and produced in RESPINA LUBRICANTS blending site and presented data is based on standard tests under laboratory conditions and is given as a guide only.
